

Tree of Life Memorial Grove Paver Order Form

The Tree of Life Memorial Grove was established in 1996, when the County of Lehigh set aside this piece of land for Crime Victims Council to establish a tree grove dedicated to the memory of those who lost their lives to acts of violence. Individuals, families and groups have been able to plant trees as living memorials to their loved ones. This grove has become a place of peace and reflection, and serves as a tribute to those survivors who came here to remember. While there is no more room for trees in the grove, engraved stepping stones are available.

The stepping stones measure 12"x12" and cost \$85 total. This cost includes the stone, engraving and installation. There is a limit of 7 lines. For engraving to fit, please be as brief as possible, simple is better.

Please complete the form below, and mail it to Crime Victims Council with your payment. We will email you a proof to approve prior to engraving. If you have any questions, please contact us at 610-437-6610.

Your Name: _____

Address: _____

City: _____ **State:** _____ **Zip:** _____

Phone: _____
